

# SPRING 2013 SOCIAL JUSTICE FILM SERIES

## JIM IN BOLD

8,000 miles through one boy's soul.

**About the film:** Interwoven with Jimmy Wheeler's life story is Young Gay America's cross-country road trip and interviews, where we see for the first time on film an America where the tides are changing. Gay youth are increasingly integrated into their schools, social groups, and communities. 13- and 14-year-olds are coming out of the closet in record numbers. Sexual diversity has become a regular part of adolescent life. In a post-internet world, gay and lesbian youth are normal – something Jimmy Wheeler never felt. This film selection adopts a strengths-based lens to celebrate the progress for the LGBT movement and looks ahead to a call for greater action.

**JIM IN BOLD** is the story of a boy who dreamed of a better world and the people who live his dream today.
