Employment:

Green Mountain Coffee Roasters Waterbury, Vermont	1987 to present
--	-----------------

Current Position: Director of Social Advocacy and Supply Chain Community Outreach

Responsibilities:

- To identify, develop, and report on new partnerships that improve the quality of life for workers, farmers, and their families in Green Mountain Coffee Roasters' global supply chain.
- Managing program budget
- Program development
- Due diligence program site visits
- Public speaking to generate awareness of supply chain issues.

1995-2005: Director of Social Advocacy and Public Relations

Responsibilities: Served Green Mountain Coffee Roasters by writing press releases, as company spokesperson, and as the company's lead public speaker. In addition, served as Fair Trade Project Manager, and worked to support company efforts in promoting the growth of its Fair Trade business in all public relations activities.

1990-94: Retail Marketing Director

Responsibilities: Developed and implemented marketing programs for Green Mountain Coffee Roasters' twelve retail stores. Was instrumental in opening nine company stores, establishing a retail newsletter, selecting merchandise, and developing profitable promotions for all stores.

1987-1990: Mail Order Marketing Director

Responsibilities: Developed and implemented profitable marketing programs for the Mail Order and Retail Divisions of Green Mountain Coffee Roasters. Work included designing, copywriting, and producing inquiry response packages, seasonal mailings, package inserts, continuity program solicitations, customer referral program mailings, customer surveys, telemarketing programs, and analysis of results.

Coffee Industry Affiliations and Board Experience:

Specialty Coffee Association of America (SCAA), Long Beach, CA: President of the SCAA Board of Directors (2005), Executive Committee Member (2004-2006) and Sustainability Committee Member (current). The SCAA is the world's largest coffee trade association.

Coffee Kids, Santa Fe, NM: President of the Coffee Kids Board of Directors (1999-2007); Board Member (current). Coffee Kids seeks to improve the quality of life in coffee growing communities.

Fair Trade Labeling Organizations International (FLO), Bonn, Germany: Member of the FLO Board of Directors (2003-2009). FLO sets the global standards for Fair Trade that benefit over 1,500,000 small-scale farmers around the world.

Fundacion Ixil, Chajul, Guatemala: Member of the Board of Founders and the Board of Directors (current). Fundacion Ixil is focused on improving the quality of life for coffee farming families in the Ixil triangle, a highly indigenous area in Guatemala that was heavily affected by the country's civil war.

Food4Farmers: Co-Founder and Board Chair (current). Food4Farmers is a non-profit organization focused on helping coffee farmers and their families diagnose the root

causes of chronic seasonal hunger, and develop strategies to overcome this serious challenge to their quality of life.

Audubon Vermont: Member of Board of Directors (2001-2003)

The New Hampton School, New Hampton, NH: Member Board of Trustees (current)

Carolyn Crowley Meub
District 7870
Governor 2001-2002

Carolyn has made a successful career in public relations, as well as events and organizational management. That work has included projects in the fields of organizational management, special events planning, political campaigns and fund-raising. She currently serves as the Executive Director of Pure Water for the World, Inc., a not-for-profit organization, started by the Brattleboro, Vermont Rotary Club in 1999.

Under her leadership, Pure Water for the World, Inc. has grown from a Rotary Club project into an effective non-governmental organization working in Haiti and Central America. Carolyn was recognized by the White House in April, 2012 as one of ten Rotary Champions of Change for her work with Pure Water for the World.

Carolyn's involvement in the Rotary began in 1992 when she hosted an exchange student from Thailand. A member of the Rutland (VT) South Rotary Club, she has served her district in many capacities. Carolyn was District Governor in 2001-2002.

Carolyn has served Rotary International in various capacities, as Water, Health and Hunger Task Force Coordinator for Zone 31, as faculty at Rotary Leadership Institutes, and as President of Rotary representative at three district conferences. Carolyn has also facilitated sessions at two RI Conventions and was on the Executive Committee of the Water and Sanitation Rotary Action Group. In November, 2012, Carolyn was invited to speak at Rotary UN Day on water and peace.
