

Create, Make & Learn

Summer Institute

July 20-24, 2015

Join us for a fun-filled week of creating, making, and learning together.

Leave with new skills, tools, and ideas for increasing student engagement, agency, and empowerment- while harnessing the power of MAKING to meet Common Core and Next Generation Science Standards.

Create, Make & Learn Summer Institute will be held in Burlington, Vermont, with classrooms at the Generator Maker Space and Champlain College.

TAKE away a product that YOU MAKE!

TAKE away skills and confidence !

TAKE away supplies and tools for your school!

* Options include 3D printers, Maker Kits, iPads, Green Screen Kits, Chromebook, etc.
