

SAVE the DATE for the First VMI Conference!

Mathematics Teaching and Learning In the 21st Century

**Join us at UVM's Davis Center on
Saturday May 7, 2016**

To celebrate Mathematics Education in Vermont
and 15 Years of the VMI

Keynote Speaker

Steven Leinwand

Steven Leinwand is the principal research analyst at the American Institutes for Research in Washington, D.C. He is the former president of the National Council of Supervisors of Mathematics as well as author of *Sensible Mathematics: A Guide for School Leaders* and *Accessible Mathematics: 10 Instructional Shifts That Raise Student Achievement*.

Breakout sessions throughout the day on the following topics:

- Mathematics teaching concepts and strategies
- Instruction for students who struggle in mathematics
- Use of formative assessment in the mathematics classroom
- Mathematics content
- Leadership in mathematics education

More information will follow in the next few months, but mark your calendars now for this special event!
