

OTTER CREEK
ENGINEERING

CIVIL/ENVIRONMENTAL ENGINEER

Consulting engineering firm seeks civil/environmental engineer for its Vermont offices. Project exposure may include water treatment and distribution, wastewater treatment and collection, site development, stormwater treatment and roadway design. Seeking an individual with a B.S. in Civil/Environmental Engineering, a solid technical background, and positive attitude.

Otter Creek Engineering is a growing consulting engineering firm with a solid reputation as committed professionals. The firm's focus has been on design and construction review of a broad spectrum of water, wastewater, site development, stormwater, roadway, hydrogeology, and environmental remediation projects. We provide full services including topographic surveys, design, permitting and funding assistance and construction phase services.

We offer a competitive salary and benefits including: payment of health insurance premiums, disability insurance, 401K retirement plan, paid holidays, paid vacation, and a great work environment.
