

OTTER CREEK
ENGINEERING

CIVIL/ENVIRONMENTAL ENGINEERING SUMMER INTERNSHIP

Consulting engineering firm seeks a civil/environmental engineer for the position of Engineering Intern in its Vermont offices. Roles may include construction review and site survey. Seeking individual currently enrolled in a Bachelor of Science program in civil/environmental engineering, with solid technical background, and a positive attitude.

Otter Creek Engineering is a growing consulting engineering firm with a solid reputation as committed professionals. The firm's focus has been on design and construction review of a broad spectrum of water, wastewater, site development, stormwater, roadway, hydrogeology, and environmental remediation projects. We provide full services including topographic surveys, design, permitting and funding assistance and construction phase services.
