

# How to Submit an Advance Account Request

1. To request an Advance Account on proposals pending in UVMClick, click on the Advance Account Request button in the left hand menu of the Funding Proposal (FP). You will be prompted to upload your Advance Account Form and submit to SPA.

2. For proposals submitted through InfoEd, you will need to continue submitting Advance Account Requests through [spa@uvm.edu](mailto:spa@uvm.edu) until you have a FP record and can utilize the Advance Account Request functionality.
