How Do People Signal Identity Through Clothing, Accessories, and Body Modifications?

Do straight, bi/pansexual, gay, lesbian,
and different gender identities have
distinct styles? If so, why? How do they all
compare?

WE'D LIKE TO KNOW, WOULDN'T YOU?

Fill Out Our Survey & Find Out!

Our study conclusions will be made public - AND
FIVE survey respondents will win a **\$25 Amazon
Gift Card!** The survey is completely anonymous.

Want to give us the fuller picture of your
identity*, fashion, and body modifications?
Email Julian.Barritt@uvm.edu to set up an
interview which will occur in a safe and secure
space (online or in-person). You decide what
to share and what can be included in the
study's publication.

You will be provided more information about
the study and a consent form prior to the
interview.
